

Fundraiser for Brian Snape

Brian Snape is a 51 year old loving family man with 12 year old twin daughters who lives in Yorkeys Knob. He has been fighting cancer since 2012. Brian has received eight cycles of chemotherapy to reduce the tumours, but in January this year his cancer has transformed into Large B-Cell lymphoma (an aggressive blood cancer of the lymph system).

Brian and his family have had to relocate to Townsville for 10 weeks to receive high dose chemotherapy and stem-cell transplants to try and destroy the cancer. Fundraising for Brian will help the family cover the cost of loss of income and living away from their home in Yorkeys Knob. Please help support Brian in his fight against this terrible disease.

Saturday 9 May 8am-2pm

Between bottle shop & bakery, Yorkeys Knob

Drop by & show your support
